

PREMIUM CARE

LUXURY UNIFORM COLLECTION

Production-Ready Specification & Board Lookbook

Omsorg ·Tryghed ·Hver dag.

Version 2.0 — Production Release For Board Approval & Manufacturer Tender

PART I: THE LOOKBOOK

Pages 1–40: Brand Vision & Design Philosophy

PAGE 1: COVER

- Format:** A4 portrait, 210mm × 297mm
- Stock:** 300gsm uncoated premium white, FSC-certified
- Finish:** Soft-touch laminate, spot UV on crest
- Front:** Deep Navy #111C34 full bleed. Crowned crest centred, gold foil embossed at 60mm width. “PREMIUM CARE” in Cinzel Pro, 24pt, gold foil. “LUXURY UNIFORM COLLECTION” in Montserrat Light, 8pt, Cream #FBF7EA, letter-spacing 6px, positioned 20mm below wordmark.
- Spine:** 25mm width. “PREMIUM CARE UNIFORM COLLECTION” vertical, Cinzel Pro, 6pt, gold foil.
- Back:** Deep Navy full bleed. Tagline “Omsorg ·Tryghed ·Hver dag.” centred, Cinzel Pro Italic, 10pt, gold foil. Bottom right: version number and date in Montserrat, 6pt, Cream.

PAGE 2: CONTENTS

Two-column layout on Cream #FBF7EA background.

- Left column: Part I–IV headings in Cinzel Pro, 10pt, Deep Navy.
- Right column: Page numbers in Montserrat, 8pt, Ink Navy.
- Divider line: 0.5pt, Heritage Red #911B0C, 40mm length.

PAGE 3: BRAND PHILOSOPHY

“The Uniform as a Promise”

Full-bleed photograph placement: Scandinavian care home interior, natural light, oak floors, white walls, a caregiver in Premium Sage tunic welcoming an elderly resident. Caption in Montserrat Italic, 7pt, Cream on Deep Navy overlay bar at bottom.

Text block (right-aligned, 60mm width, 15mm from right edge):

“A uniform is not clothing. It is the first thing a resident sees when they wake afraid. It is the last thing a family notices when they leave reassured. At Premium Care, every stitch communicates dignity, trust, and quiet excellence.” — Brand Philosophy, Premium Care

Body copy: Montserrat Light, 8pt, Ink Navy on Cream, 18pt leading, justified.

PAGE 4: DESIGN INSPIRATION — MOOD BOARD

Grid: 3×3 photographic grid, 3mm gutters, full bleed.

- 1. **Top-left:** Bang & Olufsen Beosound speaker — materiality, precision, warmth.
- 2. **Top-centre:** Georg Jensen silverware — craftsmanship, heritage, understated luxury.
- 3. **Top-right:** Muuto Oslo sofa — soft minimalism, human-centred comfort.
- 4. **Middle-left:** Audio Copenhagen dining table — quiet sophistication, natural materials.
- 5. **Middle-centre:** Premium Care crest (large, gold foil on Deep Navy) — the anchor.
- 6. **Middle-right:** Norman Copenhagen Form chair — playful yet refined simplicity.
- 7. **Bottom-left:** Danish municipal care home corridor — light oak, natural light, dignity.
- 8. **Bottom-centre:** Apple Store interior — precision, minimalism, human-centred design.
- 9. **Bottom-right:** Scandinavian architecture detail — clean lines, material honesty.

Caption bar: Deep Navy, 15mm height, bottom of page. Text: “Scandinavian references: materiality, precision, warmth, human-centred design.” Montserrat, 6pt, Cream.

PAGE 5: DESIGN PRINCIPLES

Six Principles, Full Spread

Principle	Visual	Description
1. Minimalism	Single garment flat lay on white oak	Remove everything non-essential. No decorative stitching without function. No pockets without purpose.
2. Timeless Elegance	Black and white photograph of Danish healthcare from 1960s alongside modern render	Design for 10+ year relevance. Avoid trends. Classic silhouettes with modern fabrication.
3. Comfort	Close-up of fabric texture, soft drape	12-hour shift wearability. No pinch points. No restrictive cuts. Breathable, stretch, soft hand.
4. Luxury	Detail shot of gold embroidery, mother-of-pearl button	Premium materials in every touchpoint. Weighted zippers. Satin linings. Merino wool. Egyptian cotton.
5. Practicality	Action shot: staff member rolling sleeve to clinical mode	Danish healthcare regulation compliance. Infection control. Industrial washing. Durability.

Table 1 – continued

Principle	Visual	Description
6. Human-Centred	Staff member and resident eye contact, warm moment	Designed around the wearer’ s day. Adaptive options. Inclusive sizing. Maternity. Sensory-friendly.

Typography: Principle titles in Cinzel Pro, 14pt, Deep Navy. Descriptions in Montserrat Light, 8pt, Ink Navy. Page background: Cream #FBF7EA.

PAGE 6: THE ONE-FAMILY PRINCIPLE

Visual: Ten staff members standing in a line, each in their role colour, against a Deep Navy backdrop. The overall effect is a gradient from charcoal to sage to white — unmistakably one organisation.

Text: “Differentiate roles through subtle colour hierarchy, trim, embroidery, piping, and garment cut. Never by making completely different uniforms. Residents should immediately recognise: ‘This person works for Premium Care.’”

Diagram: Side-by-side comparison of “Generic NHS Approach” (clashing colours, different styles) versus “Premium Care Approach” (harmonious family, subtle differentiation).

PAGE 7–8: COLOUR HIERARCHY — PRIMARY & SECONDARY PALETTE

Full-bleed spread.

Left page (Primary):

- Deep Navy #111C34 — Pantone 289 C / TCX 19-4024 — 60% of layout
- Heritage Red #911B0C — Pantone 7621 C / TCX 18-1662 — 10% accent
- Royal Gold #DABD75 — Pantone 7753 C / TCX 14-1036 — 30% support

Each colour block: 80mm × 80mm, with HEX, RGB, CMYK, Pantone C, Pantone TCX, and usage ratio printed in white or black (contrast-dependent) at bottom of block.

Right page (Secondary & Support):

- Light Gold #F5E4A3 — Pantone 7401 C / TCX 12-0825
- Ink Navy #0E1A32 — Pantone 276 C / TCX 19-4022
- Cream #FBF7EA — Pantone 7499 C / TCX 11-0105

Plus: Role colour swatches with Delta E tolerances and lightfastness ratings.

Usage Ratio Diagram: Pie chart showing 60/30/10 distribution with role colours as sub-segments.

PAGE 9–10: ROLE COLOUR SYSTEM

Full-bleed spread, 10 vertical columns.

Each column: 18mm width, full page height. Background = role primary colour. Top: role name in Cinzel Pro, 6pt, contrast colour. Middle: accent colour swatch (20mm × 20mm). Bottom: garment silhouette in accent colour.

From left to right: Founders, Team Lead, Planner, HR, Physiotherapist, OT, RN, Cleaner, SHW (Signature — column 20% wider, gold border), SHA.

SHW Signature column: Additional gold foil “SIGNATURE” badge. Background texture: subtle linen weave pattern.

PAGE 11–14: THE ROLL-LOCK 3/4 SYSTEM

Four-page technical feature spread.

Page 11 — The Problem:

- Photograph: Danish Health Authority inspection checklist.
- Text: “Danish healthcare requires bare below the elbows (BBE) for all direct patient contact. Generic short sleeves look cheap. Full sleeves compromise hygiene. Premium Care solves both.”

Page 12 — The Solution:

- Large hero image: 3/4 sleeve tunic in Premium Sage, elegant mode.
- Callout boxes: “Elegant 3/4 for corridors and offices.” / “Roll and lock above elbow for clinical practice.” / “Release to return to elegant length.”

Page 13 — Technical Detail:

- Cross-section diagram of sleeve mechanism.
- Concealed interior button tab at mid-bicep.
- Corresponding loop at cuff interior.
- Magnetic snap option for premium tier.
- Memory recovery fabric specification.
- 12% elastane content.

Page 14 — Compliance:

- Sundhedsstyrelsen logo and reference.
 - EN 13795 compliance statement.
 - BBE certification pathway.
 - Wash-test results (100 cycles at 60°C, sleeve retention data).
-

PAGE 15–18: FABRIC & MATERIAL PALETTE

Four-page material showcase.

Page 15 — Clinical Base Fabrics:

- Premium Care Stretch: 72% PES / 20% VIS / 8% EL, 195 g/m². Swatch photograph, weave diagram (interlock jersey), hand-feel description, OEKO-TEX certificate reference.
- Nordic Softshell: 92% PES / 8% EL bonded, 280 g/m². Cross-section diagram showing membrane layer.
- Danish Merino Blend: 50% Merino / 50% Acrylic, 180 g/m². Fibre microscope image.
- Clinical Cotton Touch: 65% PES / 35% Cotton, 185 g/m², anti-microbial treated.

Page 16 — Executive & Corporate Fabrics:

- Executive Wool Blend: 55% Wool / 42% PES / 3% EL, 280 g/m². Tweed weave diagram.
- Premium Oxford: 100% Egyptian Giza Cotton, 140 g/m². Basket weave diagram.
- Scandinavian Knit: 100% Merino Wool, 160 g/m². Rib knit diagram.

Page 17 — Performance Fabrics:

- Motion Stretch: 88% PES / 12% EL, 165 g/m². 4-way stretch diagram with percentage markers.
- Performance Fleece: 100% Recycled PES, 220 g/m², brushed back. Sustainability certification.
- All-Weather Shell: 100% PES membrane, 110 g/m². Waterproof/breathable chart.

Page 18 — Fabric Testing & Certification:

- Complete testing matrix: ASTM, ISO, AATCC, OEKO-TEX, EN standards.
- Colourfastness chart (wash, light, rubbing, perspiration).
- Shrinkage data.
- Pilling resistance (Martindale).
- Tear strength (Elmendorf).

PART II: THE COLLECTIONS

Pages 19–80: Complete Role Collections

PAGE 19–24: FOUNDER COLLECTION

Six-page executive spread.

Page 19 — Collection Overview:

- Hero photograph: Founder in charcoal blazer, gold crest, standing in premium care home reception.
- Colour block: Executive Charcoal #2D2D2D (Pantone Black 7 C / TCX 19-0303) with Royal Gold accent.

- Collection statement: “The founders of Premium Care are the visible embodiment of Scandinavian healthcare leadership. Their uniform communicates authority without arrogance, warmth without familiarity.”

Page 20 — Luxury Blazer:

- **Photograph:** Front, back, side views on mannequin.
- **Flat sketch:** Front and back with callouts.

Page 59 — Softshell, Fleece & Clinical Cardigan:

- **Softshell:**

- Fabric: Nordic Softshell
- Collar: Stand, Heritage Red lining
- Pockets: Two zip hand
- Hem: Adjustable drawcord
- Embroidery: Crest-only, 30mm, Heritage Red

- **Fleece:**

- Fabric: Performance Fleece
- Style: Quarter-zip
- Collar: Stand, Heritage Red inner

- Detail: Thumb holes at cuff
- Pockets: Two zip hand
- Embroidery: Crest-only, 30mm, Heritage Red
- **Clinical Cardigan:**
- Fabric: Danish Merino Blend, anti-microbial treated
- Style: Button-front, V-neck
- Buttons: Heritage Red, 20mm
- Pockets: Two front, patch
- Embroidery: Crest-only, 25mm, Heritage Red

Page 60 — RN Lifestyle:

- Full-page: RN at bedside, medication round, warm light, resident comfort.
- Insets: V-neck binding detail, Heritage Red button, anti-microbial fabric test.

Page 61 — Infection Control Compliance:

- Sundhedsstyrelsen guidelines reference.
- BBE compliance certification.
- 60°C washability test results (100+ cycles).
- Anti-microbial efficacy data (99% reduction S. aureus, E. coli).
- Colourfastness at 60°C.
- Shrinkage data (<2% after 100 washes).

Page 62 — RN Footwear & Accessories:

- **Footwear:** Dansk Professional or Sanita Original. Closed-back clog, SRC-rated, orthopaedic support, EN ISO 20347, white or black.
- **Accessories:**
- Fob watch (pin-on, Heritage Red silicone, premium analogue)
- Pen torch (LED, white body, crest print)
- Utility pouch (belt-mounted, Premium Care Stretch, Heritage Red zip)

PAGE 63–68: CLEANER COLLECTION

Six-page housekeeping spread.

Page 63 — Overview:

- Hero: Cleaner in luxury resident room, Warm Grey housekeeping tunic, premium care home interior.
- Colour: Warm Grey #9E9E9E (Pantone Cool Grey 6 C / TCX 14-4102) with Cream accent.
- Statement: “Often overlooked in healthcare. At Premium Care, cleaners are visible ambassadors of our standards.”

Page 64 — Polo & Housekeeping Tunic:

- **Polo:**
 - Fabric: Premium Care Stretch, heavy duty, 210 g/m² (reinforced weave)
 - Cut: Modern, longer back hem (8cm)
 - Collar: Self-fabric, Cream tipping
 - Placket: Two-button
 - Details: Reinforced shoulders and underarms (double layer)
 - Sleeves: Short sleeve, Cream trim
 - Embroidery: Crest-only, 25mm, Ink Navy
- **Housekeeping Tunic:**
 - Fabric: Premium Care Stretch, heavy duty, 210 g/m²
 - Style: Mandarin collar, semi-fitted
 - Placket: Concealed, Cream piping at pockets (2mm)
 - Pockets: Two chest, two lower patch (large capacity, 20cm × 18cm)
 - Details: Reinforced at all stress points (bar-tacked), side vents
 - Sleeves: Roll-Lock 3/4 with Cream trim band (reinforced cuff, double layer)
 - Embroidery: Crest-only, 30mm, Ink Navy

Page 65 — Practical Trousers & Apron:

- **Practical Trousers:**
 - Fabric: Premium Care Stretch, heavy duty
 - Cut: Straight leg, mid-rise, 6cm ease
 - Waist: Elasticated with drawcord
 - Pockets: Two front, two rear, two cargo with Cream zips
 - Knee: Internal knee pad pockets (15cm × 20cm), reinforced knees and seat
- **Apron:**
 - Fabric: Heavy-duty polyester, 240 g/m², water-resistant coating
 - Style: Bib apron, knee-length (75cm)
 - Straps: Cross-back (no neck strain), adjustable, 4cm width
 - Pockets: Two front with Cream piping, one chest
 - Waist: Adjustable ties, 5cm width
 - Coating: Stain-resistant, Teflon-based
 - Embroidery: Crest-only, 30mm, Ink Navy

Page 66 — Softshell & Winter Jacket:

- **Softshell:**
- Fabric: Nordic Softshell
- Collar: Stand, Cream lining
- Pockets: Two zip hand, one zip chest
- Hem: Adjustable drawcord
- Embroidery: Crest-only, 30mm, Ink Navy
- **Winter Jacket:**
- Fabric: All-Weather Shell with insulation (100g)
- Style: Padded parka, hip-length
- Hood: Detachable, fleece-lined
- Zip: Two-way, Cream pulls
- Pockets: Multiple (hand-warmer fleece-lined, chest, interior)
- Collar: Fleece-lined
- Lining: Thermal, Ink Navy
- Embroidery: Crest-only, 35mm, Ink Navy

Page 67 — Cleaner Lifestyle:

- Full-page: Cleaner making bed in luxury resident room, Warm Grey uniform, natural light, fresh flowers.
- Insets: Reinforced knee detail, stain-resistant apron, cross-back strap comfort.

Page 68 — Cleaner Footwear & Equipment:

- **Footwear:** Shoes for Crews or equivalent. Slip-resistant trainer or clog, oil-resistant, water-resistant, SRC-rated, black or Warm Grey.
- **Equipment:**
- Cleaning cart (custom-branded, Deep Navy with gold crest)
- Utility belt (Warm Grey, multiple pockets, Cream zips)
- Gloves (nitrile, Cream, powder-free, premium)

PAGE 69–76: SOCIAL & HEALTH WORKER COLLECTION

Eight-page signature spread.

Page 69 — Overview:

- Hero: SHW holding resident's hand, walking through garden, Premium Sage tunic, golden hour light.
- **SIGNATURE UNIFORM** gold foil badge.
- Colour: Premium Sage #6B8E6B (Pantone 7743 C / TCX 18-0119) with Royal Gold accent.

- Statement: “The most visible role. The most important uniform. This is what Premium Care looks like.”

Page 70 — Premium Tunic (The Signature Garment):

- **Style:** Modern mandarin collar, semi-fitted, feminine and masculine cuts
- **Cut:** Semi-fitted, 6cm ease at chest, shaped waist (women’s), straight (men’s)
- **Fabric:** Premium Care Stretch, 195 g/m², anti-microbial
- **Colour:** Premium Sage
- **Collar:** Mandarin, 3cm stand, self-fabric
- **Placket:** Concealed, gold-toned buttons (5 pieces, 18mm)
- **Pockets:**
 - Two chest with Royal Gold piping (2mm)
 - Two lower patch with Royal Gold piping (2mm)
 - Hidden interior phone pocket (15cm × 10cm, left side)
- **Details:**
 - Scissor loop right hip
 - Pen slot left sleeve
 - Side vents 8cm
- **SIGNATURE DETAIL:** Royal Gold piping along side seams (2mm, visible when arms are raised, 15cm from hem to waist)
- **Sleeves:** Roll-Lock 3/4 with Royal Gold trim band (3cm visible when rolled)
- Concealed interior button tab at mid-bicep
- Magnetic snap option (premium tier)
- Cuff: Narrow band, Royal Gold inner
- **Embroidery:** Crest-only, left chest, **35mm** (larger than other roles — signature status), Royal Gold, satin stitch with underlay, 3mm stitch length
- **Seams:** Overlocked, 4-thread safety stitch, flat-felled at side seams (for piping integrity)
- **BOM:**
 - Shell: 1.5m
 - Piping: 2.0m (side seams + pocket edges)
 - Buttons: 5 pieces
 - Embroidery: 1 application (larger stitch count due to 35mm size)
 - Labels: 3 pieces
- **Sizing:** EU 34–52 (women), 44–64 (men), regular/tall/petite/maternity
- **Adaptive:** Side snap options, magnetic closures, seated-wear adjustments

Page 71 — Clinical Polo & Stretch Trousers:

- **Clinical Polo:**
 - Fabric: Premium Care Stretch pique, 200 g/m²
 - Collar: Self-fabric, Royal Gold tipping (5mm)
 - Placket: Two-button, gold-toned
 - Details: Underarm gusset for mobility
 - Sleeves: Short sleeve, Royal Gold trim at cuff (2cm)
 - Embroidery: Crest-only, 25mm, Royal Gold
- **Stretch Trousers:**
 - Fabric: Premium Care Stretch
 - Cut: Straight leg, mid-rise, 5cm ease
 - Waist: Elasticated rear (hidden, 3cm band)
 - Pockets: Two front, one cargo with Royal Gold zip, one rear with button
 - Knee: Articulated dart
 - **SIGNATURE DETAIL:** Royal Gold piping at side seam (2mm, subtle, 20cm from hem)

Page 72 — Softshell:

- **Fabric:** Nordic Softshell, 280 g/m²
- **Style:** Hip-length, stand collar
- **Collar:** Royal Gold inner lining
- **Pockets:** Two zip hand (Royal Gold zip pulls), one zip chest
- **Hem:** Adjustable drawcord, internal
- **Back:** Subtle Royal Gold crest print at upper back (optional, 10% opacity)
- **Embroidery:** Crest-only, 30mm, Royal Gold

Page 73 — Fleece & Winter Jacket:

- **Fleece:**
 - Fabric: Performance Fleece, 220 g/m²
 - Style: Quarter-zip
 - Collar: Stand, Royal Gold inner
 - Detail: Zip garage at neck, Royal Gold zip pull, thumb holes at cuff
 - Pockets: Two zip hand
 - Embroidery: Crest-only, 30mm, Royal Gold
- **Winter Jacket (Signature Outerwear):**
 - Fabric: All-Weather Shell with premium insulation (120g PrimaLoft Gold)

- Style: Padded parka, mid-thigh length (90cm)
- Hood: Detachable, faux fur trim (optional, premium tier)
- Zip: Two-way, gold-toned, YKK
- Pockets: Two hand-warmer (fleece-lined), two chest, two interior (one zip, one slip)
- Collar: Fleece-lined, stand
- Waist: Adjustable drawcord, internal
- Storm flap: Magnetic snaps over zip
- Cuffs: Ribbed inner, adjustable outer with snap
- Lining: Thermal, Ink Navy, with interior crest print (subtle)
- Embroidery: Crest-only, left chest, **35mm**, Royal Gold

Page 74 — SHW Lifestyle:

- Full-page: SHW and resident in garden, Premium Sage against green landscape, warm light, genuine connection moment.
- Insets: Side-seam gold piping detail, 35mm crest embroidery close-up, Roll-Lock in action.

Page 75 — SHW Adaptive & Inclusive Options:

- **Maternity Tunic:** Same design, expanded side panels, adjustable waist, 8cm additional ease
- **Adaptive Tunic:** Side snaps (concealed, magnetic), seated-wear cut (3cm longer back), sensory-friendly seams (flat-locked, no internal labels)
- **Inclusive Sizing:** Up to 6XL with proportional grading, no style compromise
- **Petite/Tall:** Adjusted sleeve and body lengths, same proportions

Page 76 — SHW Footwear & Accessories:

- **Footwear:** ECCO Soft 7 or equivalent. Slip-resistant casual trainer, comfort for long shifts, easy cleaning, orthopaedic support, white or Premium Sage.
- **Accessories:**
 - Winter hat (beanie, Danish Merino Blend, Premium Sage, crest in gold)
 - Gloves (touchscreen-compatible, thermal knit, Premium Sage, gold crest on cuff)
 - Scarf (merino wool blend, Deep Navy, Royal Gold fringe, subtle crest jacquard)

PAGE 77–80: SOCIAL & HEALTH ASSISTANT COLLECTION

Four-page supportive spread.

Page 77 — Overview:

- Hero: SHA assisting SHW with resident transfer, Blue Grey tunic.
- Colour: Blue Grey #7A8FA3 (Pantone 7544 C / TCX 16-4019) with Light Gold accent.
- Statement: “Supportive, calm, reliable. Close to the SHW but clearly differentiated.”

Page 78 — Premium Tunic, Polo & Trousers:

- Same garment specifications as SHW, with colour swap:
- Primary: Blue Grey
- Accent: Light Gold #F5E4A3
- Embroidery: Royal Gold (consistent brand identity)
- Piping: Light Gold at pockets and side seams
- Zip pulls: Light Gold
- Crest size: 30mm (standard, not signature 35mm)

Page 79 — Softshell, Fleece & Winter Jacket:

- Same as SHW collection, Blue Grey colourway with Light Gold accents.
- Winter jacket: Mid-thigh, same specifications.

Page 80 — SHA Lifestyle & Differentiation:

- Full-page: SHA and SHW working together, side by side, showing colour harmony and subtle differentiation.
- Chart: SHW vs SHA comparison — colour, trim, crest size, role visibility.

PART III: PRODUCTION SPECIFICATIONS

Pages 81–95: Manufacturer-Ready Technical Package

PAGE 81: EMBROIDERY DIGITISATION GUIDE

Crest-Only Mark Specifications

Digital File Requirements:

- Format: .DST (Tajima), .EMB (Wilcom), .PES (Brother), .JEF (Janome)
- Resolution: 300 DPI minimum
- Colour separation: 4 colours maximum per design
- Underlay: Zigzag or centre-run, depending on fabric

Thread Specifications:

Application	Thread Brand	Thread Number	Colour Match	Stitch Type
Royal Gold on dark	Isacord	0022	Pantone 7753 C	Satin, 3mm length
Heritage Red on white	Isacord	1304	Pantone 7621 C	Satin, 3mm length

Table 2 – continued

Application	Thread Brand	Thread Number	Colour Match	Stitch Type
Ink Navy on light	Isacord	3554	Pantone 276 C	Satin, 3mm length
Cream on dark	Isacord	0015	Pantone 7499 C	Satin, 3mm length

Stitch Density:

- Crest-only 25mm: 8,000–10,000 stitches
- Crest-only 30mm: 12,000–15,000 stitches
- Crest-only 35mm: 15,000–18,000 stitches
- Full lockup 60mm: 25,000–30,000 stitches

Underlay Requirements:

- Stretch fabrics: Full zigzag underlay + edge run
- Woven fabrics: Centre run underlay + edge run
- Knit fabrics: Full zigzag underlay + tear-away backing
- Heavy duty: Full zigzag + cut-away backing + edge run

Backing Specifications:

- Standard: Tear-away, 50gsm, white
- Stretch: Cut-away, 80gsm, white
- Heavy duty: Cut-away, 100gsm, white + water-soluble topping

Hooping Instructions:

- Tension: Medium (stretch fabrics require gentle tension to avoid puckering)
- Hoop size: 100mm × 100mm minimum for 35mm crest
- Stabilisation: Float method for tubular garments, clamp method for flat goods

Quality Standards:

- No thread breaks visible on face
- No puckering or distortion of fabric
- Correct registration (all elements aligned within 0.5mm)
- No loose threads on reverse
- Trim length: 3mm maximum on reverse

PAGE 82–83: COMPLETE SIZING CHARTS

Women’s Sizing (EU)

Size	Bust (cm)	Waist (cm)	Hip (cm)	Sleeve (cm)	Back Length (cm)	Inseam (cm)

64	136	124	140	72	78	83

Special Sizing Adjustments

Type	Adjustment	Application
Tall	+4cm sleeve, +3cm body, +2cm inseam	All garments, sizes 38–64
Short	-3cm sleeve, -2cm body, -2cm inseam	All garments, sizes 34–60
Petite	-2cm sleeve, -2cm body, proportionally reduced shoulder	Women’ s only, sizes 34–44
Maternity	+8cm bust, +12cm waist, +6cm hip, side expansion panels	Women’ s tunics, dresses, trousers, sizes 34–48
Adaptive (Seated)	+3cm back length, adjusted waist position, open-side options	All clinical roles, sizes 34–64
6XL Inclusive	Proportional grading from 64, maintaining style lines	All garments, custom order

Grading Rules

- **Chest/Bust:** 4cm per size (2cm front, 2cm back)
- **Waist:** 4cm per size (women), 4cm per size (men)
- **Hip:** 4cm per size
- **Sleeve:** 1cm per size
- **Body length:** 1cm per size
- **Shoulder:** 0.5cm per size
- **Neck:** 0.5cm per size

PAGE 84–85: CONSTRUCTION DETAILS

Seam Types by Fabric

Fabric Type	Primary Seam	Finish	Stress Points
Premium Care Stretch	Overlock 4-thread	Safety stitch	Bar-tack at pocket corners, vent bases
Nordic Softshell	Overlock 3-thread	Coverstitch hem	Bar-tack at zip bases, pocket openings
Danish Merino Blend	Overlock 4-thread	Hand-finished or coverstitch	Reinforced shoulder seam
Clinical Cotton Touch	French seam or overlock	Double-needle hem	Bar-tack at gusset points
Executive Wool Blend	Plain seam	Hand-felled or overlock	Canvas interlining at shoulders
Motion Stretch	Overlock 4-thread	Coverstitch or flatlock	Bar-tack at gusset, knee dart
Performance Fleece	Overlock 4-thread	Coverstitch hem	Reinforced pocket openings
All-Weather Shell	Plain seam + seam tape	Overlock + waterproof tape	Bar-tack at all stress points

Hem Specifications

Garment Type	Hem Type	Width	Stitch
Tunic bottom	Straight hem	2.5cm	Coverstitch or twin-needle
Tunic sleeve (3/4)	Narrow cuff	4cm	Twin-needle, top-stitched
Polo bottom	Straight hem	2cm	Twin-needle
Polo sleeve (short)	Set-in cuff	2cm	Twin-needle
Trousers	Blind hem	3cm	Blind stitch machine
Trousers (athletic)	Coverstitch cuff	2cm	Coverstitch
Blazer	Hand-finished	4cm	Slip stitch by hand
Jacket	Straight hem	3cm	Top-stitch or coverstitch

Table 7 – continued

Garment Type	Hem Type	Width	Stitch
Knitwear	Ribbed hem	5cm	Rib knit integrated

Interfacing & Interlining

Garment	Area	Material	Weight	Application
Blazer	Collar, lapel, front	Woven fusible	120gsm	Press-on, 140°C
Blazer	Chest piece	Canvas (haircloth quality)	200gsm	Hand-basted
Blazer	Shoulder	Shoulder pad	5mm	Sewn-in
Tunic	Collar, placket	Knit fusible	80gsm	Press-on, 120°C
Tunic	Pocket openings	Woven fusible strip	60gsm	Press-on
Shirt	Collar, cuff	Woven fusible	100gsm	Press-on, 140°C
Shirt	Placket	Woven fusible	80gsm	Press-on
Jacket	Collar, front	Woven fusible	100gsm	Press-on
Softshell	None	N/A	N/A	Bonded fabric, no additional

Button Specifications

Garment	Button Type	Size	Material	Finish	Attachment

Colour Matching Protocol

- 1. **Master Swatches:** Physical TCX swatches produced by Pantone, stored in lightproof box.

- 2. **Spectrophotometer:** X-Rite Ci7800 or equivalent. Every production batch measured against master.
- 3. **Tolerance:** Delta E 1.5 for all colours. Delta E 1.0 for clinical white.
- 4. **Light Sources:** D65 (primary), TL84 (retail), A (tungsten), F2 (cool white) — assessed in light booth.
- 5. **Substrate:** All colours matched on actual fabric substrate, not paper.
- 6. **Batch Approval:** No production without signed colour approval from Premium Care Design Director.

Quality Control Checkpoints

Checkpoint	Measurement	Tolerance	Method
Chest width	Per size chart	±1.0cm	Flat measure, 2cm below armhole
Body length	Per size chart	±1.0cm	Centre back, collar to hem
Sleeve length	Per size chart	±0.5cm	Shoulder point to cuff
Shoulder width	Per size chart	±0.5cm	Seam to seam
Neck opening	Per size chart	±0.5cm	Flat measure
Embroidery position	3–4cm below shoulder, centred	±2mm	Measure from shoulder seam
Embroidery size	35mm width	±1mm	Digital calliper
Button alignment	Straight, even spacing	±1mm	Visual + measure
Piping continuity	Unbroken, even width	±0.5mm	Visual inspection
Seam strength	15kg minimum	N/A	Tensile test, 5cm sample
Colour match	Delta E 1.5	N/A	Spectrophotometer
Fabric weight	Per specification	±5%	GSM scale, 10cm × 10cm

PAGE 88: SEASONAL COLLECTIONS

SUMMER COLLECTION

Launch: May 1st **Climate:** Danish summer, 15–25°C, occasional rain, long daylight hours

Core Additions (All Roles):

Garment	Fabric	Weight	Features
Lightweight Polo	Premium Care Stretch, open pique	165 g/m ²	Increased ventilation, shorter sleeve option
Cooling Trousers	Premium Care Stretch, cooling finish	185 g/m ²	Moisture-activated cooling, lighter colourways
UV-Protective Jacket	All-Weather Shell, UV50+	90 g/m ²	Ultra-lightweight, packable, community staff
Sun Hat	Cotton canvas, wide brim	180 g/m ²	UPF50+, adjustable, community staff
Cooling Vest	Phase-change material	200 g/m ²	Internal cooling packs, outdoor work
Breathable Softshell	Unlined Nordic Softshell	220 g/m ²	Community staff, transitional weather

Summer Colour Adjustments:

- All role colours shift 10% lighter in value
- Increased use of Cream and Light Gold
- White becomes dominant for clinical roles (RN, SHW, SHA)
- Optional: Short-sleeve tunic variant for extreme heat (rare in Denmark)

Summer Lifestyle:

- Staff in garden courtyard, natural light, greenery, residents enjoying outdoor space.
- Community staff on home visits, bicycles, Danish suburban streets.

WINTER COLLECTION

Launch: October 1st **Climate:** Danish winter, -5 to 5°C, wind, rain, snow, short daylight hours

Core Additions (All Roles):

Garment	Fabric	Weight	Features
Padded Winter Parka	All-Weather Shell + PrimaLoft Gold	400 g/m ² total	Mid-thigh, detachable hood, thermal lining
Thermal Fleece	Performance Fleece, brushed both sides	260 g/m ²	Quarter-zip, high collar, thumb holes
Merino Wool Beanie	Danish Merino Blend	180 g/m ²	Role colour, crest embroidery
Thermal Gloves	Merino wool, touchscreen	160 g/m ²	Role colour, grip palm, crest on cuff
Merino Wool Scarf	Merino blend, jacquard crest	200 g/m ²	Deep Navy with gold pattern, 180cm × 30cm
Thermal Base Layer	Merino/silk blend	150 g/m ²	Long sleeve, crew neck, seamless

Table 16 – continued

Garment	Fabric	Weight	Features
Insulated Softshell	Nordic Softshell + bonded fleece	320 g/m ²	All roles, windproof
Waterproof Over-Trousers	All-Weather Shell	110 g/m ²	Community staff, full zip side
Thermal Socks	Merino wool, cushioned	Medium	Role colour band at cuff
Hand Warmers	Reusable gel, pocket-sized	N/A	Branded pouch, Deep Navy

Winter Colour Adjustments:

- All role colours shift 10% deeper in value
- Increased use of Deep Navy and Ink Navy
- Heritage Red and Royal Gold become more prominent as contrast
- Optional faux fur trim on hoods (premium tier)

Winter Lifestyle:

- Staff walking through snow-covered Danish care home garden, warm lighting from windows.
- Community staff on home visits, winter coats, bicycles with lights.
- Indoor scenes: staff removing outer layers, revealing elegant tunics underneath.

PAGE 89: PACKAGING SPECIFICATIONS

Individual Garment Packaging

Item	Specification	Material	Finish	Branding
Garment bag	Biodegradable poly, 60cm × 90cm	PLA (corn starch)	Matte, translucent	Gold crest print, 40mm
Hanger	Standard	FSC-certified wood	Deep Navy stain, matte	Gold hook, crest engraving
Tissue paper	Interleaved	Acid-free, 17gsm	Cream	Gold crest print, subtle
Size sticker	30mm × 20mm	Paper, adhesive	White	Size in Ink Navy, crest icon
Care card	85mm × 55mm	350gsm uncoated	Matte	Care instructions, brand story

Multi-Garment Set Packaging (New Starter Pack)

Item	Specification	Material	Finish	Branding
Box	400mm × 300mm × 120mm	FSC cardboard, 3mm	Deep Navy print, matte laminate	Gold crest, 60mm, spot UV

Table 18 – continued

Item	Specification	Material	Finish	Branding
Tissue	Full wrap	Acid-free, 17gsm	Cream	Gold crest pattern, repeating
Welcome card	A5	300gsm uncoated	Matte	Personalised name, role, start date
Garment bags	Individual	PLA	As above	As above
Hangers	4 pieces	FSC wood	Deep Navy stain	Gold hook
Reusable tote	400mm × 350mm × 100mm	Organic cotton canvas, 280gsm	Deep Navy dye	Gold crest, 80mm, screen print

Bulk Packaging (Manufacturer to Premium Care)

Item	Specification	Quantity per carton	Carton dimensions
Carton	Double-wall corrugated, FSC	20 garments	600mm × 400mm × 300mm
Carton print	Deep Navy with gold crest	N/A	External print
Inner wrap	Biodegradable film	Per 5 garments	50cm × 70cm
Label	Shipping label, barcode, RFID	Per carton	100mm × 150mm

PAGE 90: CARE INSTRUCTIONS & REPLACEMENT SCHEDULE

Care Instructions (All Clinical Garments)

Parameter	Specification	Symbol
Washing	Machine wash, 60°C	 60°C
Detergent	Industrial, no bleach	 No bleach
Drying	Tumble dry low or line dry	 Low /  Line
Ironing	Medium heat (150°C), no steam on embroidery	 Medium
Dry cleaning	Permitted, gentle cycle	PCE
Bleaching	Do not bleach	

Care Instructions (Executive Garments)

Parameter	Specification	Symbol
Washing	Dry clean only	PCE
Drying	Professional drying	Professional

Table 21 – continued

Parameter	Specification	Symbol
Ironing	Professional press	Professional
Storage	Cedar hanger, breathable garment bag	—

Replacement Schedule

Role	Garment	Replacement	Trigger
All	Tunics / Polos	Every 6 months	150 washes or visible wear
All	Trousers	Every 9 months	200 washes or knee wear
All	Jackets / Softshells	Every 12 months	100 washes or membrane failure
All	Knitwear	Every 12 months	50 washes or pilling
All	Executive blazers / coats	Every 18–24 months	Annual inspection
Clinical	Scrubs	Every 4 months	100 washes or staining
Clinical	Aprons	Every 3 months	150 washes or coating failure
All	Footwear	Every 12 months	Sole wear or comfort loss
All	Accessories	Every 12–24 months	Wear assessment

Wash-Count Tracking

- Optional RFID chip in care label
- Tracks wash cycles automatically
- Alerts at 80% of replacement threshold
- Dashboard for facilities managers

PAGE 91: QUALITY CONTROL & TESTING PROTOCOL

Incoming Fabric QC

Test	Standard	Frequency	Acceptance
Colour	Spectrophotometer, Delta E	Every batch	1.5
Weight	GSM scale	Every roll	±5%
Width	Measuring tape	Every roll	±2cm
Shrinkage	Wash test, 60°C	Every colour	2%
Strength	Tensile test	Every batch	200N
Anti-microbial	AATCC 100	Every batch	99% reduction

In-Production QC

Stage	Check	Frequency	Action on Fail
Cutting	Pattern match, grain line	Every lay	Re-cut
Sewing	Seam strength, stitch count	Every hour	Repair or reject
Embroidery	Registration, thread breaks	Every piece	Re-work or reject
Pressing	Temperature, pressure	Every hour	Re-press
Final	Full measurement check	Every piece	Repair or reject

Final Inspection (AQL 2.5)

Defect Type	Critical	Major	Minor
Colour mismatch	0	0.4	0.65
Measurement out	0	0.4	0.65
Embroidery defect	0	0.4	0.65
Seam failure	0	0.4	0.65
Button missing	0	0.4	0.65
Stain	0	0.4	0.65
Packaging defect	0	0.4	0.65

PAGE 92: SUPPLIER REQUIREMENTS & CODE OF CONDUCT

Minimum Supplier Standards

Category	Requirement	Certification
Labour	Fair wages, no child labour, safe working conditions	SA8000 or BSCI
Environment	Water treatment, waste management, carbon reporting	ISO 14001
Chemicals	ZDHC compliance, MRSL adherence	ZDHC Gateway
Quality	Documented QC system, traceability	ISO 9001
Ethics	Anti-corruption, transparency	Signed code of conduct

Social Compliance Checklist

- ☒ Legal minimum wage or industry benchmark (whichever is higher)
- ☒ Maximum 48-hour work week, 1 day off per 7 days
- ☒ No forced labour, bonded labour, or human trafficking

-  No child labour (minimum age: 15 or legal school-leaving age)
-  Freedom of association and collective bargaining
-  Safe and healthy working environment
-  Non-discrimination in hiring, pay, and promotion
-  No excessive overtime (maximum 12 hours per week)

Environmental Compliance Checklist

-  Wastewater treatment to local standards
-  Air emission controls
-  Hazardous waste disposal documentation
-  Energy efficiency targets
-  Water recycling where feasible
-  Sustainable fibre sourcing (recycled, organic, or certified)

PAGE 93: LOGISTICS & DELIVERY

Order Cycle

Stage	Timeline	Responsibility
Order placement	Day 0	Premium Care Procurement
Fabric sourcing	Day 1–14	Manufacturer
Colour approval	Day 15–21	Premium Care Design Director
Cutting	Day 22–28	Manufacturer
Sewing	Day 29–49	Manufacturer
Embroidery	Day 50–56	Manufacturer or subcontractor
Final inspection	Day 57–60	Manufacturer QC + Premium Care auditor
Packaging	Day 61–63	Manufacturer
Shipping	Day 64–70	Freight forwarder
Delivery	Day 71	Premium Care warehouse

Minimum Order Quantities (MOQ)

Garment Type	MOQ per style	MOQ per colour	MOQ per size
Tunics	500 pieces	100 pieces	20 pieces
Polos	500 pieces	100 pieces	20 pieces
Trousers	500 pieces	100 pieces	20 pieces
Blazers	200 pieces	50 pieces	10 pieces
Jackets	300 pieces	75 pieces	15 pieces
Knitwear	300 pieces	75 pieces	15 pieces
Scrubs	500 pieces	100 pieces	20 pieces
Accessories	1000 pieces	200 pieces	N/A

Lead Times

Collection	Sample lead time	Bulk lead time	Re-order lead time
Initial order	4 weeks	10 weeks	6 weeks
Re-order (existing style)	2 weeks	6 weeks	4 weeks
Seasonal additions	3 weeks	8 weeks	5 weeks
Emergency stock	1 week	4 weeks	3 weeks

PAGE 94: COST STRUCTURE & PRICING FRAMEWORK

Cost Breakdown (Example: SHW Premium Tunic)

Cost Component	Percentage	Notes
Fabric	25%	Premium Care Stretch, anti-microbial
Trim & notions	8%	Buttons, zips, piping, thread
Embroidery	12%	35mm crest, satin stitch, underlay
Labour	20%	Cutting, sewing, finishing, pressing
Overhead & profit	15%	Manufacturer margin
Shipping & duties	8%	Sea freight, customs, insurance
Packaging	5%	Individual bags, hangers, boxes
QC & compliance	4%	Testing, audits, inspections
Design & development	3%	Pattern, grading, sampling amortised

Estimated Unit Cost Range:

- Clinical tunics: €45–€65
- Executive blazers: €180–€250
- Performance jackets: €85–€120
- Accessories: €8–€35
- Footwear: €80–€150

Pricing to Premium Care

- Manufacturer cost + 15-20% margin = Wholesale to Premium Care
- Premium Care internal cost = Wholesale + logistics + warehousing
- No retail pricing (internal use only)

PAGE 95: INTELLECTUAL PROPERTY & BRAND PROTECTION

Protected Elements

Element	Protection Type	Registration
Premium Care wordmark	Trademark	EUIPO, Danish Patent Office
Crowned crest logo	Trademark	EUIPO, Danish Patent Office
Tagline “Omsorg · Tryghed · Hver dag.”	Trademark	Danish Patent Office
Colour combination (Deep Navy + Royal Gold + Heritage Red)	Trade dress	Unregistered but protected under Danish Marketing Practices Act
Uniform designs	Design registration	EUIPO (RCD)
Embroidery digitisation files	Copyright	Automatic, documented
Technical specifications	Trade secret	NDA with all suppliers

Supplier NDA Requirements

- All manufacturers, subcontractors, and suppliers must sign NDA
- No reproduction of designs for third parties
- No use of Premium Care branding without written permission
- Return or destruction of all patterns, files, and samples upon contract termination
- 3-year post-termination non-compete on identical designs

Enforcement

- Regular market monitoring for counterfeit products
- Legal action against unauthorised use of crest, colours, or designs
- Customs registration (EU Border Enforcement) for counterfeit interception

PART IV: THE BOARD PRESENTATION

Pages 96–100: Summary & Approval

PAGE 96: COLLECTION AT A GLANCE

Visual: Grid of all 10 role uniforms, 3 garments per role, against Deep Navy background. Gold foil text overlays.

Statistics:

- 10 role collections
- 68 individual garments
- 8 fabric types

- 10 role colourways
- 3 seasonal capsules
- 12 accessory categories
- Inclusive sizing: 34–64 EU, 6XL, maternity, adaptive
- Estimated total SKUs: 340+

Investment Summary:

- Design & development: €[Amount]
- Initial production (6-month stock): €[Amount]
- Annual replacement cycle: €[Amount]
- Per-staff annual cost: €[Amount]
- ROI: Resident satisfaction, staff retention, brand equity

PAGE 97: COMPETITIVE POSITIONING

Visual: Comparison chart showing Premium Care versus leading Scandinavian healthcare providers.

Factor	Premium Care	Competitor A	Competitor B	NHS Standard
Design coherence	One family, 10 roles	Mixed styles	Generic scrubs	Colour-coded only
Fabric quality	Premium, anti-microbial	Standard polyester	Basic cotton	Polyester/cotton
Brand integration	Full crest, embroidery	Logo patch only	No branding	Minimal
Inclusive sizing	Up to 6XL, adaptive	Limited	Standard	Standard
Seasonal range	Summer + Winter	None	None	None
Accessories	Full collection	Basic	None	None
Danish compliance	BBE, 60°C, OEKO-TEX	Partial	Partial	UK standards
Sustainability	Recycled fibres, FSC	None	None	Limited

Positioning Statement: “Premium Care is the only Danish care organisation with a fully integrated, luxury uniform system designed for Scandinavian healthcare standards.”

PAGE 98: STAFF & RESIDENT IMPACT

Visual: Split page. Left: staff focus group quotes. Right: resident/family testimonials.

Staff Quotes (placeholder for real research):

“I feel proud wearing this uniform. It makes me feel like a professional, not just a worker.” — Social & Health Worker

“The Roll-Lock sleeve is brilliant. I don’t have to change between clinical and office work.” — Registered Nurse

“The fabric is so comfortable. I forget I’m wearing a uniform after 10 hours.” — Team Lead

Resident/Family Quotes:

“I can tell who is who now. The colours are beautiful, not like a hospital.” — Resident

“The staff look so professional. It gives me confidence in the care my mother receives.” — Family Member

Metrics (projected):

- Staff satisfaction with uniform: +40% vs. current
- Resident recognition of staff roles: +60%
- Family confidence in care quality: +25%
- Staff retention (uniform as factor): +15%

PAGE 99: IMPLEMENTATION TIMELINE

Gantt Chart (visual):

Phase	Duration	Key Milestones
Phase 1: Design Finalisation	Weeks 1–4	Pattern approval, sample production, colour matching
Phase 2: Sampling	Weeks 5–8	Fit sessions (all sizes), wear testing (12-hour shifts), wash testing (100 cycles)
Phase 3: Staff Consultation	Weeks 9–10	Focus groups, feedback integration, final adjustments
Phase 4: Production	Weeks 11–20	Bulk manufacturing, embroidery, QC, packaging
Phase 5: Rollout	Weeks 21–24	Distribution, training (care instructions), launch event
Phase 6: Monitoring	Ongoing	Wear feedback, replacement tracking, seasonal additions

Critical Path:

- Week 4: Board approval of samples
- Week 8: Final sample sign-off
- Week 12: First production batch delivery
- Week 20: Full stock in warehouse

- Week 22: Organisation-wide launch
-

PAGE 100: APPROVAL & NEXT STEPS

Board Resolution:

“The Board of Premium Care approves the Luxury Uniform Collection as presented, including: - The 10-role collection system with Roll-Lock 3/4 compliance - The seasonal capsule additions (Summer and Winter) - The accessory collection - The manufacturer-ready technical specifications - The estimated investment of €[Amount] for initial production - The implementation timeline commencing [Date]”

Signatures:

- Chair of the Board
- CEO
- CFO
- Director of Operations
- Director of Human Resources
- Design Director

Next Steps:

1. Board approval (this meeting)
2. Manufacturer tender issuance (Week 1)
3. Sample production contract (Week 2)
4. First sample review (Week 6)
5. Final approval and bulk contract (Week 8)
6. Production commencement (Week 10)
7. Launch event planning (Week 18)
